Memo No...364.....

Dated, Jalpaiguri, the ..14/08/2023

Notice

This is for the information of all students that Ragging is a disturbing reality in the higher education system of our country. Despite the fact that over the years ragging has claimed hundreds of innocent lives and has ruined careers of thousands of bright students, the practice is still perceived by many as a way of 'familiarization' and an 'initiation into the real world' for young college-going students.

In our Campus and Hostel Ragging is strictly prohibited. It is a punishable offence. All students are requested to submit their Anti-ragging undertaking form to the office of the Principal.
